

WE ARE ALL LINKED TOGETHER!

**SPIRIT
BOOSTERS!**

We will be holding a school-wide Paper Chain Fundraiser throughout the month of January. We will be raising funds that will support school initiatives, while building that Forum Spirit we all know and love!

Please help your child obtain personalized links by asking family and friends to write well-wishes along with their donations. Each link is \$3.00 and there are 5 links per page. Your child may also write what they like about The Forum School on their links. The links will be assembled and used to decorate the halls of our school. Extra sheets can be provided by your child's teacher. Please return the donation sheets and money to school before Tuesday, January 31, 2012. Checks should be made payable to The Forum School.
